Standard & Guide for Judging Meat Classes (ARBA)

The four factors, in the order of their importance, for judging meat pens, are as follows: (1) Meat type, (2) Condition, (3) Uniformity, and (4) Fur.

1. Meat pens shall consist of three rabbits, does not necessarily have to come from the same litter.

2. Age limit 10 weeks. No rabbits may be sold under 6 weeks of age.

3. Minimum weight 3 1/2 pounds each, maximum weight 5 1/2 pounds each. All rabbits must be weighed in the presence of the judge/ sale committee member/extension agent

Point Schedule for Judging Meat Pens

Meat Type.....	40 points
Condition of Flesh.....	30 points
Uniformity of body & weight.....	20 points
Fur.....	10 points
Total.....	100 points

Meat Type - Points 40: Type is the most important factor in judging meat pens. The best meat type is found in those fryers that are compact and short, with the body well filled, rounded, and solidly fleshed. Smooth, well filled hips and good depth of body are especially important. Protruding hip bones or prominent “razor backs” are serious faults. The width and depth of loin, thickness of hindquarters, and well developed shoulders are important to the meat carrying type of the fryer. The hindquarters are most important, loin second, and forequarters are third in importance.

Condition - Points 30: All fryers in a pen must be in prime condition. This reflects the care and

management practices of the breeder. The fryers must be firm and solid. They must not show any signs of flabbiness, softness, looseness, or pottiness. The pelt must be tight over the body and the animals must be clean and show no signs of neglect or disease.

Uniformity - Points 20: This is a combination of the other three requirements. It denotes the ability of the breeder to pick three fryers for each pen, which have the other three qualities in equal amounts, and will reflect the general quality of the herd from which they came. Uniformity can be present in weight, size, appearance, condition, meat type, and fur, and should be as similar in all respects as possible.

Fur - Points 10: Fur should conform to the breed description in the standard and be uniform on all three animals in the pen.

Section 16B - Market Rabbits

1. Meat Pen Class (pen of 3)

Exhibitors who are at least 8 years of age and have not reached their 19th birthday as of December 31st of the previous year are eligible (See Rule 2 in the 2020 4-H Horse Show Rule book). 3. All exhibitors must have completed Colorado 4-H Horse Project Advancement Level I in any division to be eligible to participate in the Western Division, English Division and Gymkhana Division. **Entrants in the Hunter Hack classes must have passed Colorado 4-H Horse Project Advancement Level III English to ride over fences. All exhibitors must have completed Colorado 4-H Horse Project Advancement Level I Ranch Horse and attend one certifying clinic to compete in the Ranch Horse Division.** Specific state and national contest rules must be observed in addition to the above rule.

Horse Eligibility:

1. Number of Horses: Exhibitors may bring a total of two (2) horses regardless of how many divisions they choose to enter. Exhibitors are restricted to one entry per class.

2. Ownership and Identification: Ownership is not required in order to participate in the Park County Fair, but Exhibitor must have a valid Lease if they do not own the horse or horses they are showing. However, the exhibitor must have provided majority management, care and training of the horse during the current 4-H year. The parent's signature on the entry blank should attest to this fact. All horses entered in any division must be included in the exhibitors Horse Project Record Book and declared (completed identification certification on file at county Extension office) as a project horse in **4Honline as of May 1st** of the current year. No substitution of horses will be permitted under any circumstances unless the substitute horse meets the above requirements.

3. Horses Shared by Siblings: Horses may be shown by siblings if they show or are entered in different age divisions or classifications. Please see the most current Colorado 4-H Horse Show Rule Book regarding rules on exhibitors using the same horse, rule 4C. The Park County Fair 4H Horse Show will follow the Colorado 4-H Rule Book regarding the rule addressing this matter.

4. Stallions over 1 year of age are not permitted to compete in the Park County Fair 4-H Horse Show.

5. In the case of death of an animal, the 4-H member will be required to file a hardship case with and the Park County Extension Office no later than 7 days prior to the show and the replacement horse must have been submitted on a Horse ID form prior to May 1st. Hardship letters must include:

B. If a lease is applicable, leases must be completed in 4-H online.

C. A Letter from the 4-H member stating the

circumstances leading up to the hardship.
D. The CSU Extension Agent shall accept or reject the hardship case based on the information presented. If replacement of a horse is required, the 4-H member must continue the record book with the new horse.

6. The member shall keep a 4-H Record Book on their project horse(s), attend the required 4-H club meetings, be active in community service projects, help with club fundraisers, participate in club practice rides and actively participate in the local club program to be eligible to participate in the Park County Fair 4H Horse Show..

Park County Fair Class Divisions:

1. The show is divided into four separate point counting divisions: English, Western, Gymkhana and Working Ranch Horse. Exhibitors may compete in any or all divisions. Exhibitors may not sign up for additional classes after the Park County Fair 4-H Horse Show entry deadline. Individual classes in each division are divided by age. Ages are determined as of December 31 of the previous year. Junior 8 -10, Intermediate 11- 13, Senior 14- 18.

2. Classes with less than three entries may be combined in the show ring at the discretion of the superintendent, however they will be placed separately.

3. **In ALL divisions, showmanship is considered a tie breaker toward high point awards.** In the case that there is still a tie after the showmanship score, written test score will be considered . An exhibitor will not be eligible for division or overall highpoint awards if they do not participate in both the written test and showmanship for their division. For the Gymkhana Division an exhibitor shall participate in a showmanship class (English, Western or Ranch Horse) or they will forfeit all points and awards from the Gymkhana Division.

Written Test:

1. The written test is a Park County Fair 4-H Horse Show as a final tie breaker. The test will be online, and sent out by June 1, with a deadline to take the test by July 1.

2. Exhibitors may contact the CSU Extension office for any questions regarding the test.

Show Rules:

1. Entries shall be completed and turned in by the designated date from the Extension Office.

2. Specific state and national contest rules will be observed in addition to the rules above. Individual class rules will follow the most current Colorado 4-H Horse Show Rule Book. The 4-H member is responsible for knowing the specific rules of the show in which he or she has entered. The rules in this book pertain to the Park County 4-H Horse Program.

-Zero Score Rule – In Western Horsemanship, Ranch Riding, Hunt Seat Equitation, Riding Control and Showmanship failure to complete the pattern will not result in a disqualification but will be scored accordingly. Riders who fail to complete the pattern as written cannot be placed above those who do but may still be placed. In Reining, Western Riding, English Control and Western & Ranch Trail failure to complete the pattern as written will result in a zero score.

3. Dress Code: Contestants are required to follow 4-H dress code at all times as the Park County Fair 4-H Horse Show is a 4-H event. Contestants will be asked to modify their dress to meet the Colorado 4-H Dress Code (which is posted at Colorado4h.org). Acceptable dress rules and exceptions are available from your local Extension office.

4. All Events are required to be held inside a closed arena. During all runs, arena gates will remain closed. Failure to enter and leave the arena, mounted at a walk or trot may result in a disqualification. Only participating contestants, arena crew, and officials should be in the arena.

5. Rule Clarification – Gymkhana – A rider in gymkhana is considered on course from when the arena gate closes to when the arena gate reopens. Gymkhana division rules apply from the time of entry to the time of exit (gate to gate) for every rider.

6. Exhibitors may not approach a judge under any circumstances during the show. Any and all questions or comments must be directed through the Park County Fair 4-H Horse Show Superintendents. Exhibitors are encouraged to discuss show results with the Judge following the competition.

7. Exhibitors and/or parents or guardians may be disqualified and excused from the grounds at the discretion of show management or superintendents for any unsportsmanlike conduct or abusive action to a horse. Any exhibitor not adhering to the above rule may be disqualified and forfeit all points and awards.

In any 4-H class, horses showing signs of undue stress or inhumane treatment will be penalized. Any horse exhibited in a class that has evidence of abuse, such as a cut or abrasion showing clear evidence of fresh blood in the mouth, nose, chin, shoulder, barrel, flank, or hip area will be considered ineligible to receive an award in that class.

If a body condition score of 3 or less is assigned to any horse by the judge, Fair Veterinarian, CSU Extension Agent, or horse superintendent, that horse is ineligible to compete in any 4-H show or activity.

8. Exhibitor's animal must be under control at all times and handled in a safe manner. Riders who do not have their mounts under suitable control shall be excused from the ring. Judges and ring officials should interpret this wording to stress safety and courtesy to all riders in the class, and consider a horse as being sufficiently out of control at any time the rider is unable to manage the animal in the required class routine after reasonable corrective action.

9. Sr. English/Western Showmanship 1st and 2nd place shall advance to the Sr. Round Robin competition. If they forfeit their right to compete in Round Robin the next person in their division and age group will be eligible.

Int. and Jr. 1st-4th place in the English/Western Showmanship class shall compete in a grand drive for the top Jr. placings, the exhibitors who places 1st and 2nd shall advance to the Jr. Round Robin competition. If they forfeit their right to compete the next person in their division will be eligible.

10. The Park County Fair 4-H Horse Show Management reserves the right to amend or change rules, combine classes and change times of scheduled classes at any time prior to the judging and due notice will be given to exhibitors of any changes.

AWARDS:

1. Points per class are figured on a 10-1 scale. Example – If an exhibitor places 1st place they will receive 10 points, if they place 9th place they will receive 2 points. These points will be tabulated towards any high point awards.

2. Awards Presentation: Class ribbons will be presented at the arena gate following the completion of the class. Ribbons not picked up at the gate may be claimed at the 4-H Horse Show Announcer booth. Division high point awards will be presented following completion of the show.

3. Ties: Scores of the showmanship class will be used to break all ties. In the event a tie still exists, placing in the written test will be used.

4. A contestant may enter any and all of the classes in a single division that he/she are qualified to enter. To be eligible for 4-H Division Champion awards, the 4-H member may compete in the following classes:

The written test and a showmanship class is required for a contestant to be eligible for the Gymkhana High Point Awards. Record Book scores shall be added to and used to determine overall highpoint and overall reserve highpoint awards in each age group.

Division highpoints are based on one rider / one horse combination. Multiple horses can be used toward overall highpoints, however an exhibitor may only use one set of points from each division.

Exhibitors are also eligible for the "Super Team" award. To qualify exhibitors must use the same horse for all classes in all divisions.

GENERAL:

1. The Fair Board may, at its discretion, subject any horse to drug testing procedures by the Fair Board veterinarian. Any horse doctored or in any way improperly or unfairly tampered with before going into the show ring shall be disqualified. Colorado 4-H Horse Show Rule Book, most current edition shall preside on rules according to 4-H Horse Drug and Medications and Breed specific rules. Refer to the rule book for specifics.

2. Participation of temporarily or permanently handicapped exhibitors shall be decided by the show management, or the judge, based upon the safety of the individual and/or other exhibitors.

4. Acceptable bits, equipment, and dress codes are outlined in the Colorado 4-H Horse Show Rule Book.

5. Level testing must be completed by June 1 in qualifying for the Park County Fair.

6. Parents, relatives, and leaders should refrain from excessive "coaching" from outside the arena. A judge may disqualify a rider if he/she feels the "coaching" gave an unfair advantage. Positive encouragement is allowed.

7. A CERTIFIED EQUESTRIAN HELMET with a safety harness fastened in place is required in over fences classes, gymkhana events, all walk trot classes, activities and practice sessions. Gymkhana generally refers to horseback speed events (timed or un-timed) that do not use livestock. Events not included in the policy are events such as calf roping,

team roping, goat tying, and team penning that may be timed but use livestock.

It is the responsibility of the parent/guardian of the 4-H member to see that the headgear worn complies with such standards and is in good condition. The state 4-H office encourages the use of ASTM certified/SEI approved safety helmets in all equine events. Protective headgear may be used in all classes and shall not be discriminated against.

8. In order to complete a 4-H Horse Project, the exhibitor must complete their record book with at least a 70% score and show one horse or pony in the showmanship class or a "4-H tour" acknowledged by the CSU Extension Agent, give a talk or demonstration and perform at least one community service activity and meet your club requirements.

9. All foals become 1 year old on January 1 and the age will advance one year each January 1 thereafter.

10. GRIEVANCES— See Rule #22 on Page 6.

6. Stalls may be accessed when arriving by checking in with the Horse Superintendent or representative. Stalls will only be accessible after the Fair veterinarian has cleared the horse to be unloaded from the trailer. **All horses must be checked before unloading.**

Stalls that are ready to be evacuated shall need to be signed out by the Horse Superintendent or representative or your awards/monies shall be held by the Fair Board.

MCQUAID HORSEMAN IMAGE AWARD

Judging Criteria: Anonymous judges shall circulate during the entire 4-H Horse Show. A committee shall make inspections during the fair to determine the awards, taking into consideration the following points and rating 4-H members in the following areas:

1. Horsemanship safety - Judges shall penalize exhibitors of poor safety, including but not limited to: bareback riding, riding with halter and lead shank, more than one rider and other dangerous displays.

DEPARTMENT 21– Cat

Section 21A - Cat

4-H GENERAL PROJECTS

Rules and regulations:

1. Eligibility: Exhibitors in the divisions of this department must be bona fide members of Colorado 4-H whose projects work **(must be 4-H members own work and sources must be sited, plagiarism will not be tolerated)** and records are certified and up-to-date and deemed eligible by the appropriate Extension Agent. In addition, exhibitors must be at least eight years of age, must not have reached their 19th birthday as of December 31 of the current enrollment year and must satisfy other eligibility requirements (if specified) for a class, to compete in that class.
2. 4-H members may enter only once in the same class.
3. Members must be enrolled in the project (which may be broken down into units, levels or categories) in which they exhibit.
4. Only one exhibit in each class will be accepted.
5. If a member enrolls in two units of the same project (leathercraft for example: member enrolls in Unit 2 and Unit 3—they must exhibit the higher level—Unit 3). When a member takes two units at the same time, they should master the skills of the lower unit and therefore exhibit in the higher unit.
6. 4-H e-Records may be completed by pencil, ink or computer. The choice will not affect judging.
7. Display boards must meet the specifications. The standardized display board size of 4ft. X 3ft. Is to be used for 4-H projects. Available in the CSU Extension office for \$5.
8. Projects are divided by Junior, Intermediate and Senior age groups. The age for Junior is 8-10, Intermediate is 11-13 and Senior is 14-18.
9. Exhibit entries will be done online. The Extension Agent is to enter each exhibit online with a description for State Fair.
10. Entry Labels: Each exhibit and sturdy binder or 4-H Record book (containing e-Record and other materials) is to have a label containing the

following: county name, county number, exhibitor name and age, department, division, and class. **The label needs to be on the upper right hand front outside of the binder/notebook (outside) and on the exhibit (usually the back of the exhibit or on the flap).** Be sure to read specific instructions on tags for some exhibits, example: leathercraft, clothing, heritage arts, etc. All exhibits must be accompanied by a completed label. For security reasons, do not list the member address on projects.

11. All Champion, Reserve Champion and placing award exhibits must be displayed and remain on display for the duration of the fair.

12. The management will not be responsible for loss or damage to exhibits, although it will use all care to ensure their safety.

Note: Exhibits of unusual size or shape may not be on public display. Exhibitor cards and ribbons will be displayed in project areas. All other projects will be displayed unless there is a safety, health or space issue.

Fair Judging/Ribbon Awards

1. Champion and Reserve Champion ribbons shall be awarded only to exhibits that meet all the exhibit requirements and standards. Third through 10th Ribbons will be awarded accordingly to standards and requirements.

2. Grand Champion and Reserve Grand Champion exhibitors will be declared in each project of the 4-H section from designated class champions. In the Junior, Intermediate and Senior divisions, a Grand Champion will be selected from all champions from each age category. The remaining class Champion and Reserve Champion exhibit in the class from which the Grand Champion was chosen will be eligible for Reserve Grand Champion consideration.

IMPORTANT: For Specific requirements on each unit and class number, you will need to consult the Colorado State Fair General Projects Requirements Syllabus. Requirement sheets and the State Fair Syllabus are also available on-line at www.colorado4h.org or you may contact the CSU Extension Office. Please ask for help if you need it.

Display of 4-H Exhibits

1. Display boards are great ways to share that

information, but when viewers walk by, they spend only 60-90 seconds looking at each display board. Make yours stand out by highlighting the main points of your project in a fun, interesting way.

2. **SHAPE** - Design your exhibit so information fits on the display.

3. **SPACE** - Your display should only discuss one main topic. This will help it look neat and un-crowded.

4. **TEXT** - Make sure that all the text on your display is easy to read. Use a large font for the title, and smaller fonts for the headings and the body text. Text must be readable from 3 - 5 feet away. Use large bold letters. Dark letters on a light background works best.

5. **SIZE** - Display boards for the county fair must measure 4 ft wide x 3 ft tall. They should be made of lightweight cardboard, not poster board. Pre-cut boards are available at most craft and shopping centers, **Park County CSU Extension Office has some for sale -\$5**. NO PART of your display may extend beyond these boundaries.

6. **ATTACHMENTS** - When attaching pictures or objects to your board make sure they are secure. Use glue for pictures and paper, and consider wires, zip ties, or staples to attach bulkier items. DO NOT attach items that are so heavy that your board can't stand or fold.

DISPLAY BOOKS - Your e-record book should accompany your board. You may use 3-ring binders or other notebook that will keep the pages securely inside. You may not use slider-type binders. Please place a label with the following information in the upper right-hand corner of the front cover: County, Name, Project Area, and Class.

Cloverbuds

CLOVERBUDS

It is neither the intent nor the objective of the 4-H Cloverbuds program to duplicate the 4-H member experiences that are designed for other youth, nor to create a “mini 4-H” concept. While the 4-H Cloverbuds program is a component of the overall 4-H Youth Development program and 4-H Cloverbud members are recognized as 4-H members for the purposes of enrollment, they are considered to be in a special membership category with regard to program and policy. As a result, the 4-H Cloverbuds program is fundamentally different than general membership in 4-H. unique educational opportunity. Children in these grades are a distinct audience for 4-H, with unique learning characteristics and developmental needs that are different from older children and youth served through 4-H membership. As a result, the Cloverbuds program is designed with specific educational objectives and program policies focused on the 5- to 7-year old child.

Participation, safety, personal development, learning and fun are the highest priorities in providing

4-H Cloverbuds programs. The policies and guidelines for the Cloverbuds program seek to ensure that Cloverbuds members remain safe and have positive, developmentally appropriate experiences in 4-H. State and county programs that offer the 4-H Cloverbuds program are expected to utilize age appropriate programmatic goals, policies, curriculum and cooperation-based methods to give feedback and recognition.

Purpose of the 4-H Cloverbuds Program:

The overall purpose of the 4-H Cloverbuds program is to foster the development of life skills that are essential for the cognitive, social, emotional and physical maturation of 5 to 7 year olds by providing a

Components of the Cloverbuds Program

4-H Cloverbuds programs are activity-focused and not project-focused and built on cooperative learning, rather than competitive activities. Members participate in occasional, non-competitive, sampler-type, age-appropriate, properly supervised events or activities sponsored or conducted by

4-H groups. Cloverbuds members do not participate in the ongoing, planned series of activities.

The primary difference between a Cloverbuds activity and a 4-H project is that a Cloverbuds member engages in varied activities which focus on developing a specific skill or concept utilized in completing the activity rather than focusing on a long-term planned course. As a result, Cloverbuds members should not have ongoing projects, of any kind; nor should they participate as competitive exhibitors, because within the 4-H program, exhibits are intended to showcase the culmination of a long-term project.

In general, the handling of animals (large or small) requires discipline and motor skills that have yet to be fully developed in most children in the 5 to 7 age range and when coupled with the unpredictable behavior of animals, does not provide the optimal safe educational environment.

4-H Cloverbuds members that have engaged in a group activity may *exhibit or showcase* in a noncompetitive event, or can feature other items from their group activities. However, Cloverbuds members are not eligible to receive premium funds as a result of exhibition. Cloverbuds members may receive participatory ribbons but may not receive regular competitive purple, blue, red or white 4-H ribbons.

In addition to the educational focus, 4-H Cloverbuds programs also require additional adult supervision, and do not conduct formal business meetings or elect officers.

Cloverbuds clubs handle their finances differently than clubs for older children, with the majority of funding issues handled by the adults.

Champions do not become champions when they win the event, but in the hours, weeks, months and years they spend preparing for it. The victorious performance itself is merely the demonstration of their championship character.

CATCH AN ANIMAL CONTEST

Youth ages 8—18 are invited to participate in our annual Catch-An-Animal Contest. After a few short instructions about how to humanely grab a lamb anywhere from two to 10 of the animals get released, and the 4-H kids have to try to catch them.

Once a kid gets hold of the animal — the youth gets to choose from pigs, goats, lambs, or steer — it becomes the youth's to raise as a 4-H project for next year's Park County Fair. The animals that the youth receive are donated by generous sponsors from the community. Youth are mentored throughout the year with monthly check ins and pen inspections to help them learn from the Park County Livestock Committee.

That scene plays out every year on Sunday of the fair during the family fun day activities.

For a complete list of rules and dates please contact your local Extension Office or see the Catch-An-Animal application on the Park County Fair Website— www.parkcofair.com

Why Buy 4-H Meat?

The 4-H market livestock programs require all participants to adhere to wholesome meat practices. Each member is trained to raise their animals using principals that ensure the healthiest product available. Our sale offers high quality meat that is drug free.

A Good Deal:

When you purchase a 4-H market animal, you are getting meat at better than grocery store prices. Because you are purchasing all cuts of meat at once, the average price reflects the price of all cuts including steaks and roasts. This is a great deal! Purchasing a year's supply of meat at one time may be a considerable financial commitment, but the total expense for your support and positive effects on our youth is "Priceless".

Simple Steps to Purchase Great 4-H Meat:

Decide what you can afford. If you cannot afford an entire animal go in with one or more partners. Beef can be divided 4-ways, Lamb and Pork 2-ways. If you cannot find a partner, come to the auction and speak to a livestock committee member, and they will try to match you with another buyer. You can also email us at: Parkcolivestock@aol.com. Bidder numbers may be reserved at the auction or by contacting us by email. Bidding is done by the pound of animal weight.

Fill out a cut sheet for each animal purchased. You can specify size of steaks and roasts, types of sausage, curing, etc. Payment can be made by check or credit card.
