

Park County Catch-An-Animal Swine

2023-2024 pen requirements

Jason Gemmer	303-947-0353	Swine
John Carpenter	720-600-8417	Swine
Abby Schmidt	303-503-8084	Swine

The following requirements must be met to receive your swine

Shelter:

Must be 50 sq. Ft. or larger

Must have a door or gate that can be closed and latched

Must have a feed bin

Must have water tank 10 gallons or larger with a water tank heater

Outside pen:

Must be 100 sq. Ft. or larger

Must be fenced with materials strong enough to hold your animal as it grows.

(woven wire fence, pig panels, or post and boards)

Fencing must be secured to the ground, so the pig can't dig out.

Estimated Costs:

Material for a shelter can cost between \$500 and \$2000.

Feed bin can cost between \$0 and \$100

A water tank can cost between \$0 and \$100

Water heater can cost between \$25 and \$125. The tank heater can cost \$20 to \$50 a month to run (electric bill)

Gate can cost between \$0 and \$300

Used or borrowed supplies and materials are allowed/encouraged

Important!!! Your initial pen inspection is where a committee member will be evaluating your housing for the swine. Combining your shelter and outside pen is allowed, as is only having one water tank, provided the swine has access to water 24 hours a day. At your initial inspection, the committee member(s) will let you know what changes you might need. If you have questions prior to your first inspection, feel free to contact any of the listed committee members to go over your plans.
